Become a Retailer

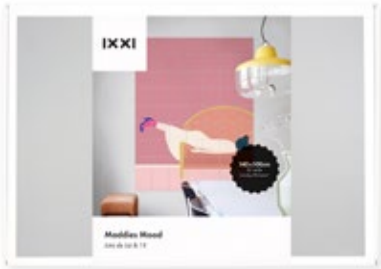

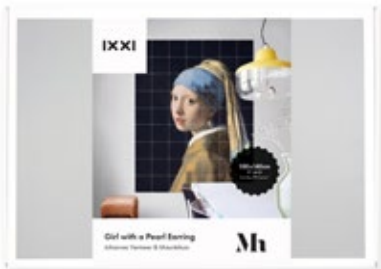

IXXI welcomes you

Interested in offering the unique IXXI system in your store? You're in luck. We offer tailored retail packages to suit your needs. We produce IXXI in-house, allowing us to offer great margins and fast delivery times. Plus, our dedicated retail team is ready to assist you with easy and efficient ordering.

The Prestentation is key

When it comes to IXXI, seeing is believing. That's why it's so important to display an IXXI in your store. By showcasing our modular wall art, you let customers experience the unique concept firsthand; its versatility, premium quality and striking design. The moment they see it, they'll understand how IXXI transforms walls into personal works of art.

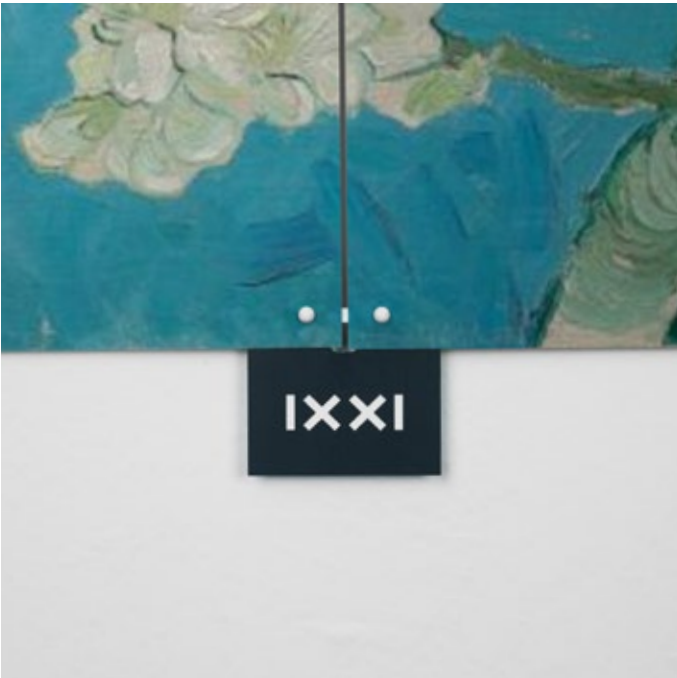

To support your in-store presentation, we provide a complementary IXXI for you to hang as an eye-catching design. Additionally, our brand brochure is available on request, ensuring you have everything you need to inspire and inform your customers.

Styling

Take a look at our retail page for styling inspiration. For instance, you can use an IXXI to smarten up your shop window. (The connectors fit a standard curtain rail to divide the window from your shop or hang freely in space). Inspire and inform your customers.

Share your shop display or window styling on your socials using **@ixxiyourworld**. Send your pictures to business@ixxi.com and we will show it also on our socials.
